

Dear Parent/Guardian

**VOLLEYBALL SPECIALIST PROGRAM | EXPRESSION OF INTEREST**

St James' Anglican School is proud to deliver the Volleyball Specialist Program.

Places are limited in this program and Expressions of Interest will be considered along with students age, level of experience, history of behaviour and previous contribution to the School's sporting programs.

Student commitments within the program are;

- Attend all training sessions (weekly sessions)
- Be available for all tournaments
- Behave appropriately and respond to the coaching provided within the program

Should your child be successful there will be a one off cost. The cost will be \$100.00 towards the expense of the program (\$150.00 if they are a new member of the program and require a uniform). This fee will go towards uniforms, training equipment, match fees and specialised coaching.

To complete your Expression of Interest, please sign and return the slip below to the Administrations Office.

Kind regards

**Mackenzie Huggins**  
Sports Co-ordinator

**Ryan Penno**  
Director of Volleyball
