

DISPUTES AND COMPLAINT RESOLUTION PROCESS FOR PARENTS AND STUDENTS

POLICY STATEMENT

St James' Anglican School (the School) welcomes suggestions, feedback and comments from parents, students or staff and takes all complaints and concerns seriously.

The School is committed to ensuring the safety, welfare and well-being of all children and people at the School. We want children to be safe, happy and empowered. We have zero tolerance for child abuse, and all allegations and safety concerns will be treated very seriously and with consistency. We will always give priority to any complaints involving the safety, welfare and well-being of students.

This policy deals mainly with procedures for parents (and guardians), the community and the students (including past students). This policy does not cover complaints from staff members about aspects of their employment.

Parents will often wish to raise issues on behalf of their children. There are other issues which students may choose to raise on their behalf, and which are best raised by the individual.

WHAT IS A COMPLAINT?

A complaint is 'An expression of dissatisfaction made to the school about its services, decisions, actions or those of its staff, or about the complaint management process itself'.

A complaint or concern may be raised about the School as a whole, a specific department in the School, a particular school activity, an individual member of staff, about one or more students, or about another member of the School community.

All complaints will be treated seriously.

COMMITMENT

We recognise parents and students have a right to complain and we aim to ensure that:

- students, parents and the community wishing to make a complaint know how to do so
- a child-focused, child-friendly, culturally safe dispute and complaint process is adopted
- complaints are received positively and the outcome, the complainant or the subject of the complaint is not pre-judged
- concerns are dealt with promptly and thoroughly and those who have raised them are kept informed about progress
- all complaints are handled on their merits
- a child-focused, child-friendly, culturally safe dispute and complaint process is adopted
- the complaint process allows complaints to be made face-to-face, by email, by telephone call, a letter or a meeting
- parents and students can expect to be taken seriously and can approach any member of staff about their concerns
- complaints made by parents will not rebound adversely on their children and similarly, complaints raised by students will not rebound on the complainant or other students
- confidentiality is respected and maintained so far as possible but investigations will need to reveal all of the facts
- a resolution of the matter is sought, with the parties directly involved, at the local level
- children, young people, families, communities, staff and volunteers are engaged in the review processes and can provide feedback on review outcomes

DISPUTES AND COMPLAINT RESOLUTION PROCESS FOR PARENTS AND STUDENTS

- complaints are recorded and analysed to identify causes or systemic weaknesses
- mandatory reporting obligations when receiving, responding to and investigating complaints of child harm or abuse are adhered to
- the dispute and complaint processes are reviewed annually.

THE DIRECTOR GENERAL

The Director General of the Department of Education is responsible for ensuring that the School observes the registration standards, including the standard of its complaints handling system. Any student, parent or community member is entitled to contact the Director General with concerns about how the School has dealt with a complaint. Information is available on the Department of Education website. While the Director General may consider whether the School has breached the registration standards, they do not have the power to intervene in a complaint or override the School's decision.

INFORMATION FOR STUDENTS

What can I complain about?

If there is anything that makes you feel unsafe, unhappy or worried about something, you can tell us. We will listen and try to help.

It could be about:

- How you've been treated by someone, e.g., a teacher, another parent, child or related party.
- Something that's changed that has made you feel unhappy or unsafe.
- Something to do with our environment or facilities.
- The School not doing anything about something that happened to you, or you are unhappy with what we occurred to try and resolve the problem.

Who can I speak to if I feel unsafe or concerned about something?

You can talk to anybody who works at St James' with whom you feel comfortable.

Can somebody help me make a complaint?

Yes. If you would like a parent, carer, friend or someone you trust to help you make a complaint you can bring them with you when you complain. You can also use an interpreter if you need to or if your parent or friend needs one. If you don't want to talk to us about something that has happened, you can ask the person you trust to tell us, and you can speak with us when you want to do so.

Complaints/suggestion boxes

These are placed at various locations around the School.

- Chapel
- Senior School
- Junior School

These are for the purpose of anonymous complaints/suggestions for students unsure of which staff member to approach to raise their concern.

Will I be in trouble for speaking up?

No. Your safety and how you feel are important to us. By speaking up, you are helping us to do a better job and take better care of you and other children and young people.

What will the School do with the information I tell them?

If you tell us that you have been treated badly or you are feeling unsafe or worried about something, we will listen, write down what you tell us, and try to fix it. After we talk to you, we may need to find out more about what happened. We will tell you how long this will take and what will happen next.

Will you keep what I have told you a secret?

We will keep information about you private. Private means we will keep your details safe. Sometimes we may need to share certain information with another organisation, such as the police, to protect you and other children and young people.

How will I know you're dealing with my complaint?

We will ask if you would like us to give you updates about what is happening as we look into what you have told us and get further information.

You can tell us how you would like us to let you know how things are going with your complaint, e.g., in person, over the phone, or by email.

If you are worried about anything, we will try to fix it and get back to you quickly. We will let you know when we have finished looking into your complaint and explain what we're going to do. We will make sure that we involve the person you want to be with you when we give you information (e.g., parent or friend).

What if I don't want to be involved in the investigation?

We will only contact you if you want us to do so. If you don't want updates that's okay. If you would like us to give information to a family member, carer or support person instead, that's also okay. If you change your mind and later want to speak with us, you can contact the person looking into your complaint or anybody else you trust in the School.

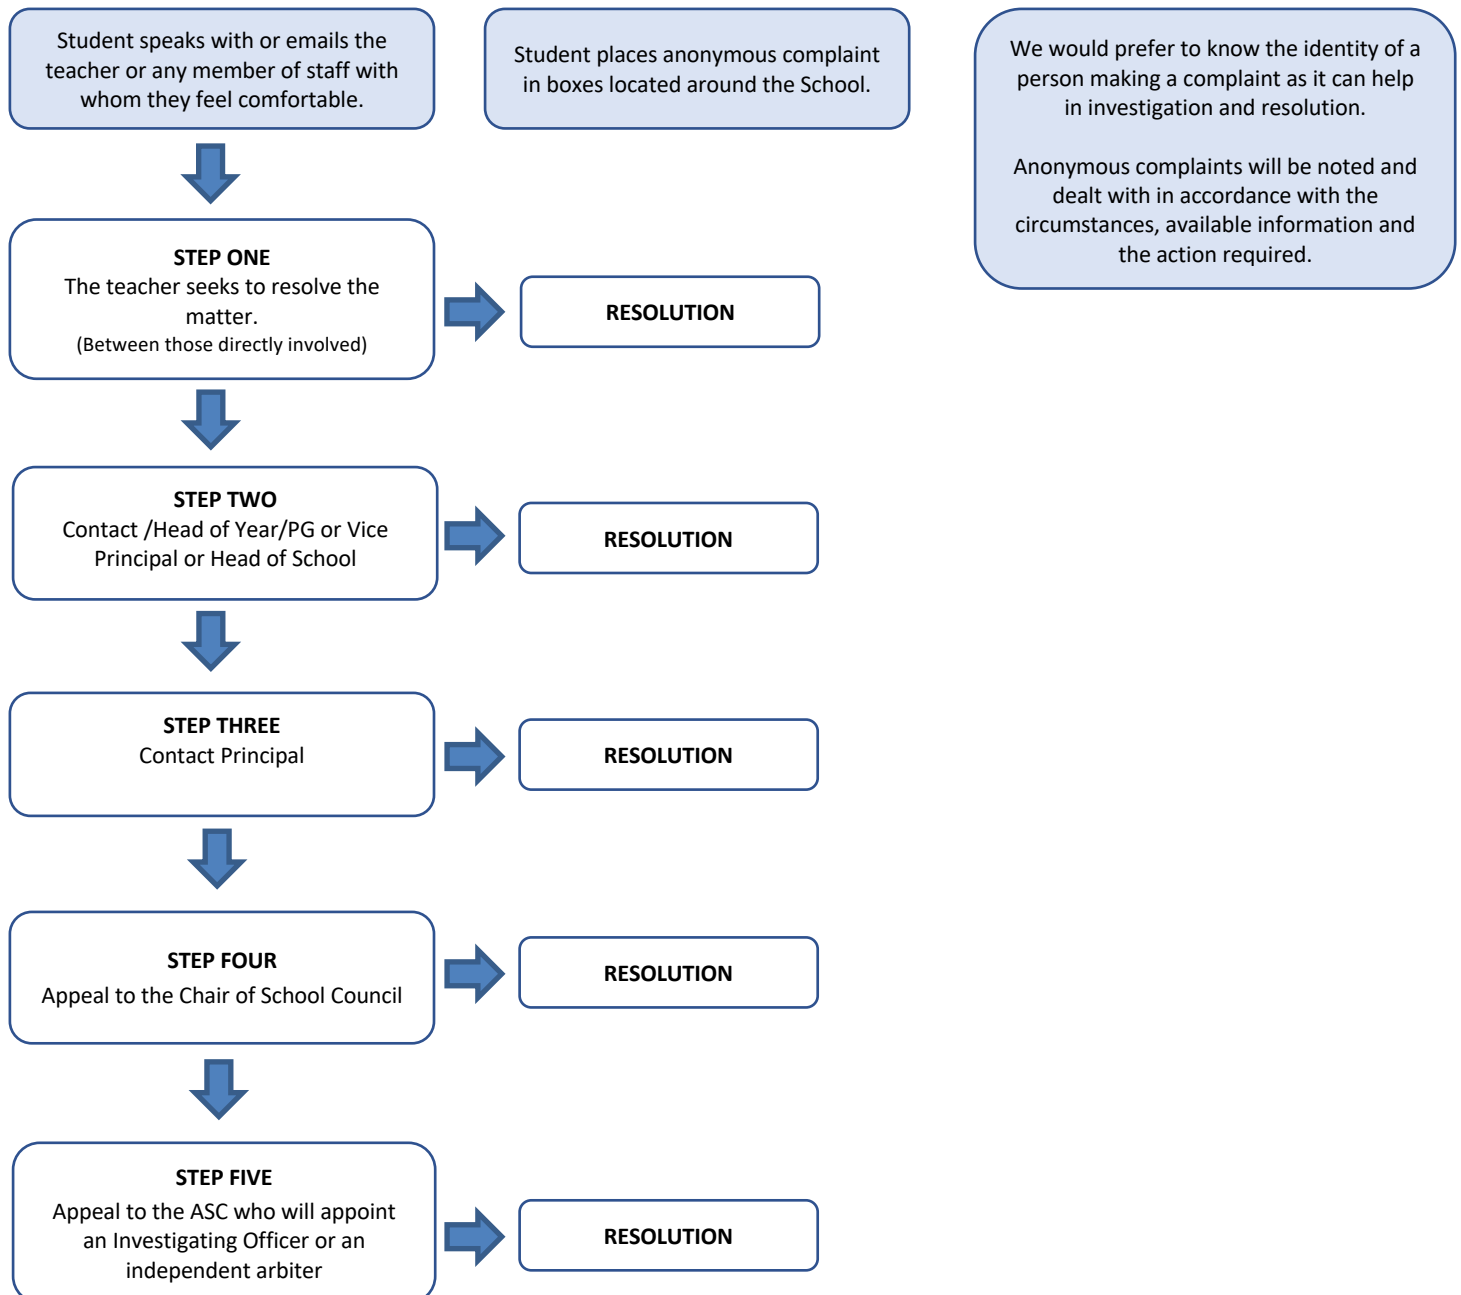

What if I'm still not happy?

If you are not happy with how we handled your complaint or the result, we can help you to contact someone else to look at it. We can explain who this is if this happens. They will decide whether we have made the right decision.

NB: This information is based on the Complaints Handling Guide: Upholding the rights of children and young people.

INFORMATION FOR PARENTS

Making a Complaint

Any member of staff will be happy to help. We recommend parents contact the person who knows their child the best i.e. classroom teacher, or Year Group Coordinator. They may be able to resolve the matter quickly and with a minimum of fuss. Alternatively, we will accept complaints lodged verbally by phone, in person, by letter, email or via the complaints form on the School's website.

Persons for whom English is not their first language, or who have reduced literacy skills, may bring a translator or advocate.

We are here for you and your child, and we want to hear from you.

Anonymous Complaints

We would prefer to know the identity of a person making a complaint as it can help in investigation and resolution. Anonymous complaints will be noted and dealt with in accordance with the circumstances, available information and the action required.

Next Steps

Complaints raised face-to-face or by telephone may be resolved immediately and to your satisfaction. However, if you have made a complaint or raised a concern in writing, we will contact you within five (5) working days, to explain how we propose to proceed.

In many circumstances, the person you contact will need time to look into the matter and consider it further before responding. You will be given a date by which time you will receive a response. If a detailed exploration of the issue is needed, a letter or report will be sent to you as quickly as possible. This will tell you the outcome of your complaint. It will explain the conclusion, the reasons for it, and any action taken or proposed.

In some cases, we will not be able to discuss the details of the action taken as it would be inappropriate. Legally we are not able to divulge information on matters which require the involvement of a relevant government authority, without the permission of that government authority.

Confidentiality

Your complaint or concern will be treated in a confidential manner and with respect. Knowledge of it will be limited to the Principal and those directly involved. The Chair of the School Council may also need to be informed. It is the School's policy that complaints made by parents will not rebound adversely on their children.

We cannot entirely rule out the need to make third parties outside the school aware of the complaint and possibly also the identity of those involved. If information is passed to a third party, such as the Police or other external authorities, you will be informed, unless this is prevented by legal obligation.

Not satisfied with the outcome

We hope to resolve the matter, so you feel satisfied with the outcome, or at least that your concerns have been fully and fairly considered.

DISPUTES AND COMPLAINT RESOLUTION PROCESS FOR PARENTS AND STUDENTS

If you are not satisfied, you can write directly to the Chair of the School Council. The Chair will obtain a full report from the Principal and examine matters thoroughly to determine if the complaint has been handled in accordance with the School's policy and procedure as well as to give further consideration.

If the outcome of the Chair's review and consideration does not bring about a resolution, you can write to the Anglican Schools Commission Chief Executive Officer, who will appoint an Investigating Officer(s) or an independent arbiter. It is their task to look at the issues impartially and confidentially and report to the ASC.

The School recognises and acknowledges your entitlement to complain and we hope to work with you in the best interests of the children and young people in our care.
