<b>RECOMMENDED:</b> purchase a Mask with a silicone skirt and tempered glass. Real silicone is soft and more comfortable for long periods of use. The tempered glass is strong enough to withstand the changing pressure at depths. Any of your students which come to <b>Perth Diving Academy</b> will be properly fitted for their dive mask, to try and avoid leaks or pressure points. There are a few different brands (and colours!) you can choose from in this combination. The masks included in these are OceanPro, IST or Reeftourer.
