COMMUNITY SUPPORT | Trade Placements for Students

St James' is reaching out to our school community for support in offering valuable hands-on learning opportunities to our students. We are looking for tradespeople who would be willing to host students one day a week next year, providing them with the chance to gain real-world experience in your trade. If you are a professional in any trade and can offer this kind of mentorship, we would love to hear from you!

In particular, we have a student heading into Year 11 next year who is seeking work as a bricklayer one day a week. If you are in the bricklaying industry and would be willing to provide our student with this opportunity, please get in touch.

If you can assist or have any questions, please contact our Head of Careers & VET, Daniel Thomas via daniel.thomas@stjames.wa.edu.au

Your support in helping our students develop valuable skills is greatly appreciated! Thank you for considering this opportunity to make a real difference in our students' lives.
