ANGLICAN SCHOOL

WELCOME TO ST JAMES'

PART OF **AngliSchools**

ACKNOWLEDGEMENT OF COUNTRY

We would like to acknowledge the traditional custodians of this land, the Whadjuk people of the Noongar nation, who walked softly on this land for thousands of years, and hope that we may do the same. We would also like to acknowledge their Elders, past and present.

ONE SCHOOL
ONE JOURNEY
multiple pathways.

Principal's Welcome

Our Vision

At St James' we strive to build a collaborative environment where the School executive, teachers, educational assistants, students and families work together to deliver an inclusive, engaging and supportive education.

Our Mission

St James' Anglican School will seek to provide excellence in education, stressing high academic standards and the development of individual potential in a dynamic, caring and Christian environment.

Our Values

Wisdom

Through the pursuit of knowledge, lifelong learning and high standards and expectations.

Faith

By living the Gospel values, acting with honesty and openness, and celebrating difference and inclusion.

Service

By demonstrating fairness, empathy for others and respect for self, others and our world.

Welcome to St James' Anglican School. Located in the heart of the coastal Alkimos community, we offer a vibrant and caring environment where every student from Kindergarten to Year 12 is known, valued, and supported.

Learning at St James' goes beyond the classroom. We challenge and inspire our students to think deeply, act with kindness, and contribute positively to the world. Whether excelling in academics, exploring the arts, embracing sport, or serving the community, our young people are encouraged to live with purpose and reach their potential developing entrepreneurial skills.

Founded in Christian values, we help students grow in wisdom, live with faith, and lead through service. This foundation equips them to step into the future with confidence, empathy, and a clear sense of who they are. These will be citizens who look you in the eye, greet you confidently, and understand the importance of living out their values in everything that they do.

When our students graduate from St James', they do so with knowledge, character, and the confidence to make a difference, proud to say: "We are the Orange Army from the North". Orange will flow in their veins forever!

Mr Adrian Pree
Principal

*"Success in education is based on three things.
Relationships, relationships, relationships..."*

The St James' Difference

St James' – where the city meets the country, the sea meets the sand and students meet passionate teachers, every day! We foster individual student potential, providing opportunities for each person to achieve excellence in every aspect of school life. St James' Anglican School has steadily grown from a small school established in 2015, with 161 students in the first year, to reach a noteworthy milestone of over 1,100 students in 2025 across Junior and Senior School.

ONE SCHOOL. ONE JOURNEY. MULTIPLE PATHWAYS.

St James' Anglican School aims to empower students to plan their transition from Senior School to their ideal post school pathway or career through exploring a variety of subjects, identifying their strengths, passions, future goals and preferred learning style; all in relation to their career journey and linked to developing a passion for learning itself. With a dedicated Trade Centre and purpose built learning spaces, we take pride in the many pathways we offer our students; fully appreciating each student has their own interests and skills.

A PROUD ANGLICAN SCHOOL

St James' Anglican School is part of AngliSchools. Established in 1985, AngliSchool's core purpose is to establish and support low fee Anglican systemic schools which provide a high-quality, inclusive and caring Christian education. All students attend a weekly Chapel service and a Christian and Values Education (CAVE) lesson.

We will provide your child with an environment built on strong Gospel values. St James' is proud to be an Anglican School in which students are nurtured in the Christian faith and encouraged to use their beliefs and values as a basis for living.

DIFFERENTIATED LEARNING

At St James', our curriculum is carefully designed to be both challenging and inclusive, helping every student reach their potential. Central to this is our Satori team, named after the Japanese word for enlightenment, which supports students through tailored assistance, extension tasks, and enrichment activities. Collaborating closely with teachers, the team offers personalised learning experiences, practical problem-solving, and opportunities beyond the classroom such as competitions, incursions and excursions. This approach inspires students to engage deeply, grow and excel academically, and develop real-world skills for lifelong success.

GLOBAL LEARNING

Global learning opens minds, deepens cultural understanding, and builds empathy. Through service learning opportunities, diverse perspectives, and opportunities to connect beyond our borders, students develop the knowledge and confidence to engage meaningfully with the world, equipped to contribute positively in an increasingly interconnected and rapidly changing global community.

JUNIOR SCHOOL

A nurturing foundation where curiosity thrives and creativity blooms. Our Junior School inspires every child to explore, learn, and grow with confidence, kindness, and enthusiasm; building a lifelong love of discovery and a strong sense of belonging.

Years Kindergarten - 6

Choosing St James' for your child's early years means embracing a warm, supportive community dedicated to fostering a lifelong love of learning. Our experienced teachers focus on developing essential social skills, emotional resilience, and independence alongside foundational literacy and numeracy. We balance play-based and inquiry-led learning with explicit teaching and enrichment opportunities, encouraging children to explore their interests in hands-on, meaningful ways.

Our safe, modern facilities and extensive outdoor spaces provide the perfect setting for discovery and growth. We also actively involve families as partners in learning, creating strong home-school connections through regular communication and community events.

At St James', your child will not just be prepared academically; they'll develop confidence, creativity, and a genuine sense of belonging that sets the stage for success well beyond Year 6.

Outdoor Learning

Outdoor learning at St James' fosters practical skills, resilience, and teamwork through hands-on experiences in nature. Embedded in respect for Country, students deepen their cultural awareness and environmental stewardship, developing a lasting connection to the land and its traditional custodians while inspiring curiosity and responsibility.

Links to Senior School

At St James', the transition from Junior to Senior School is supported by strong pastoral care and tailored academic pathways. Our Senior School offers diverse subject choices, leadership opportunities, and a focus on real-world skills, preparing students to thrive academically and personally as confident, independent learners. Additionally, we actively encourage Senior School students to engage with their Junior School peers through collaborative activities, fostering strong bonds across year groups and a unified School community.

Mr Dan Mornement
Head of Junior School

"Education at St James' is about more than knowledge; it's about shaping confident, compassionate learners who see possibility in every challenge."

SENIOR SCHOOL

A dynamic environment where students are empowered to lead, innovate, and excel. Our Senior School fosters academic excellence, real-world skills, and personal growth; preparing confident, compassionate young adults ready to make a meaningful impact in an ever-changing world.

Years 7 - 12

Choosing St James' for your child's secondary education means providing them with a supportive, challenging, and inspiring environment. From Year 7 through to Year 12, we focus on nurturing independence, critical thinking, and leadership, while offering a wide range of academic subjects and co-curricular opportunities.

Our dedicated staff work closely with each student to personalise learning pathways that match their interests and goals, preparing them for success beyond school. With strong pastoral care and a vibrant community spirit, students build lasting friendships and develop the confidence to navigate the complexities of today's world.

Academic Excellence

At St James', we believe the right environment is essential for academic success. With dedicated specialist teachers, faculty experts, and modern, purpose-built facilities, we provide the tools, spaces, and expertise to inspire achievement and personal growth.

Our commitment is to equip every student to reach their full potential, build confidence, and develop lifelong skills. Through personalised support and a steadfast focus on excellence, we prepare young people not only to fulfill their academic potential but to thrive as well-rounded, capable individuals ready to embrace future challenges, and engage in lifelong learning.

Exit Points

At St James', we guide students to exit on the right pathway, whether university, vocational training, or work, ensuring they are well-prepared and confident. Our aim is to nurture capable, responsible individuals who contribute meaningfully to their communities and thrive in all aspects of life beyond school, reflecting our School values.

Mrs Jodie Bastow
Head of Senior School

"The St James' School community is defined by its welcoming atmosphere and its wonderful people."

Beyond the Classroom

At St James', learning extends far beyond the classroom walls. We believe that education is enriched by real-world experiences, creative expression, and meaningful connections. Through service opportunities, Performing Arts, sporting opportunities immersive camps, and exciting tours, our students develop skills, confidence, and perspectives that prepare them for life's many adventures.

Our programs are designed to inspire curiosity and encourage students to discover their passions. By engaging in diverse activities beyond academics, students develop a deeper understanding of themselves and the world around them, fostering creativity, leadership, and a lifelong love of learning.

SERVICE

Service learning at St James' encourages students to connect with their community through meaningful, hands-on experiences. These opportunities help develop empathy, leadership, and a strong sense of social responsibility. By participating in various projects and initiatives, students learn the value of giving back and making a positive difference. This commitment to service is an important part of our school culture, shaping compassionate, engaged young people ready to contribute to society.

PERFORMING ARTS

At St James', we celebrate and encourage every student's talent in performing arts. Through our annual production, plays, performance opportunities, music ensembles and regular concerts, both Junior and Senior students gain confidence and proudly share their creativity, knowing they are supported and comfortable expressing themselves on stage and with their peers.

*"Our students enjoy so many options and opportunities, which allows everyone to love their learning and create memories that will stay with them well past their years at St James'" - Laura Briggs
Vice Principal*

CAMPS AND TOURS

St James' offers a wide range of camps and tours from Years 2 - 12 that enrich learning beyond the classroom. Students explore local environments, participate in outdoor education adventures, and engage in subject-specific experiences like scuba diving tours as part of our Marine program. Extending beyond Australia, international tours include cultural and language trips to places like Japan, as well as service tours supporting developing communities.

We believe exploration and challenge helps students build independence, resilience, and a deeper understanding of their place in the world.

Life at St James'

At St James' we are dedicated to nurturing the whole student academically, emotionally, socially, physically, and spiritually. Our school culture is built on respect, inclusivity, and support, creating a safe environment where every student is encouraged to grow and thrive. We focus on developing essential life skills such as resilience, confidence, and empathy, empowering students to navigate challenges and contribute positively to their communities both now and in the future. Students experience a welcoming, caring community where they feel valued, supported, and inspired to be their best selves every day.

STUDENT WELLBEING

At St James', pastoral care supports each student as a unique individual. In Junior School, teachers work closely with parents, supported by academic teams, the Counsellor, and Chaplain, with regular sessions promoting wellbeing and focus. In Senior School, the House system and Pastoral Care Group Tutors offer daily connection and guidance which follows students as they advance through each year of their school journey. Supported by senior staff, counsellors, the Head of Satori, and Chaplain, this team provides caring, personalised support throughout students' growth and development.

SPECIALIST PROGRAMS

The Volleyball Specialist Program at St James' provides talented students with expert coaching and advanced training opportunities. Focused on skill development, teamwork, and competition, the program supports players in reaching their full potential. Through dedicated sessions and tournaments, students build physical fitness, strategic thinking, and confidence, all within a supportive and encouraging environment. With fantastic results in recent competitions, our St James' Foxes are rapidly gaining recognition for excellence in volleyball.

CO-CURRICULAR AND COMMUNITY TIME

Our before and after School co-curricular program plays a pivotal role in nurturing well-rounded individuals by complementing academic pursuits with enriching activities and experiences. Through these activities, students have the opportunity to explore their passions, develop specialised skills, and form lasting connections with peers and passionate staff members. Additionally, held every Friday afternoon is Community Time which unites students from Years 1 to 12 in a variety of activities that promote teamwork and strengthen House identity.

PREPARING FOR LIFE BEYOND SCHOOL

SJAS+ is a dynamic program for Year 11 and 12 students at St James', offering a blend of life skills workshops, micro-credentials, and well-being initiatives. Students engage in activities such as financial literacy, self-defence, cabinet making, welding, mechanics and fitness to learn essential skills making them resilient and confident to face future challenges. Students can also earn certificates such as Barista accreditations, RSA, Certificate II in Salon Assistant, Certificate II in Engineering, Certificate II in Community Dance or Certificate II in Outdoor Recreation enhancing their employability, personal development and complementing their academic studies.

How to Enrol at St James'

Thank you for considering St James' for your child's education. Our enrolment process is designed to be clear and supportive, helping families begin their journey with us smoothly.

BOOK A TOUR

Scan the QR code to view our Virtual Tour or to book an in-person tour of our campus.

Step One: Submit an Application

To register your child, please complete an Application Form, which can be downloaded from our website or collected from Administration. Alternatively, an Application for Admission can be completed online through our site or by scanning the QR code on the following page.
